WORK EXPERIENCE

Event Production Services

Head Designer, June 2012-Present
I started as a single designer at EPS and turned it into a team of eight that I ran. My responsibilities included design, project management, time management, and general office management.

TCF National Bank

Teller, June 2012-August 2013
Responsibilities included general customer service with peoples accounts and selling new checking and saving accounts. The reason I left was that I was working two jobs while in school.

Goodrich Quality Theaters

Booth Op, March 2007-August 2011
Responsibilities included running, cleaning, and maintaining the projectors in the theater.
