## EDUCATION

### **Northern Illinois University, Dekalb IL**

Bachelor of Fine Arts in Visual Communication, May 2014

### **Illinois Valley Community College, Oglesby IL**

Associates in Art

## DESIGN EXPERIENCE

### **LKCS, Peru IL**

*Web Design Internship, Summer 2013*

While working here I was given many responsibilities, which included helping create designs for banks and credit unions around the nation. This was some invaluable experience and really helped me to understand professional design more than I previously did.

### **Northern Star Newspaper, Dekalb IL**

*Production Designer, 2013 – Present*

Working for the school newspaper, I was required to make ads for many different local businesses. This has taught me to be flexible with content and professional when dealing with clients. It has also taught me how to handle demanding deadlines.

## PROFICIENCIES

InDesign

Photoshop

Illustrator

Adobe Digital Publishing Suite

After Effects

Wordpress

Dreamweaver

## OTHER JOBS

### **Illinois Valley YMCA Aquatic Center, Peru IL**

*Aquatic Center Supervisor*

Although this position does not pertain towards design, it was very valuable when it comes to social skills and management. This job required me to keep my cool in stressful and potentially dangerous situations while managing my fellow lifeguards. It also taught me to engage with customers and to think on my feet so I could handle any problems that were brought to me.
