WORK EXPERIENCE

Northern Illinois University
2015-Present

I work for Event production Services as a designer. My roles covered interacting With customers to help design advertisements and other material for on and off Campus activities. As well I worked different events on campus for multiple events.

Next Media 360
June 17-August 19, 2014

Internship provided by my design teacher, I worked with him and his design team Over the summer. I held the role of designer, and was in charge of interacting with Customers, as well as leading some design projects. While I was there I got hands On experience with word-press, as well as other HTML coding.
