PROFESSIONAL EXPERIENCE

Northern Illinois University Springboard Initiative Student Designer

August 2015—May 2016

Springboard was an incubator department on NIU campus for students to get experience working with companies on their marketing initiative. In this position I edited and produced videos to help promote DeKalb and local businesses. Worked with a team of business students to help come up with a name for a new business. Designed short video ads and powerpoints to encourage economic education. Designed motivational posters for the work space.

Northern Illinois University Game Design Camp Counselor

Summers of 2016 and 2017

The NIU Digital Convergence Lab offers video game design camps for kids every summer. I helped manage and teach video game design animation, coding, and overall game design. I collaborated with other teacher to develop a schedule and course objectives. We taught GameMaker, Python, Scratch, and several 3D design tools.

Korzenowski Design Internship

Summer of 2015

Korzenowski Design is a marketing company in Elmhurst Illinois. In this internship I observed client meetings. Shadowed employees through their design process. Designed large banners. Visited a large commercial printing company.

Rover Profession Dog Caretaker

July 2016—January 2018

Rover is an online marketplace for people to buy and sell pet care services, such as dog walking and house sitting. I used the Rover app to market my services, manage my pricing, and list my availability. I regularly scheduled meetings with clients, and developed a strong clientele.
