EDUCATION

Northern Illinois University
B.F.A (Visual Communication)
August 2015–May 2019

WORK EXPERIENCE

Home Depot (Freelance Design)
Algonquin, Illinois
August–September 2018

Worked with Home Depot employees to create a “follow the signs” system to direct traffic to their departments. Worked to find a happy medium between multiple peoples’ opinions and desires.

NIU Football (Field Assistant)
DeKalb, Illinois
February 2017–July 2018

Assisted during both practices and game days. Responsibilities included filling all of the water and gatorade coolers, setting up the outskirts of the field for practices and games, and making sure that all players and coaching staff got water or gatorade when they needed it while staying out of the way of the action. Also included clean-up after every shift.

Skechers (Retail Associate)
Huntley, Illinois
June 2016–August 2016 (Store Closed)

General customer service and store upkeep. Main specific tasks were walking around the floor and making sure every customer gets what they need along with organization of the products.
